

# Virginia Oncology Pharmacy Updates

Oncology Education Specialists, LLC  
201 West Main Street, Suite 311  
Durham, NC 27701

August 2020

Dear Sponsor:

We are writing to provide an update on the exciting new opportunity to support the education of oncology pharmacists in Virginia that we shared with you in the spring. Due to the ongoing COVID-19 pandemic, we had moved the original date to August 22 and most recently have had to make the meeting virtual.

We hope that you will continue to support this first meeting by participating in our Virtual Exhibit Hall. Each exhibitor will have a slide continuously shown in the exhibit hall, when the meeting is not in session. In addition, each sponsor will have their own breakout rooms where they can interact with attendees. Each sponsor will also be recognized on our website and any other meeting materials.

Checks should be made payable to Oncology Education Specialists, LLC and mailed to the above address. Our Tax ID number is 84-4291454.

The preliminary agenda can be found on the attached page. A more detailed agenda will be available as the meeting draws closer. The agenda and all necessary documents will also be available at <https://oesl.wildapricot.org/Sponsor-Page>.

Thank you for your support for what we believe will be an exciting new opportunity for oncology pharmacist education and networking in the Virginia area. If you have any questions you may contact either Sally Barbour or LeAnne Kennedy.

Sincerely,

A handwritten signature in cursive script that reads "Sally Y. Barbour".

Sally Y. Barbour, PharmD, BCOP, CPP, FHOPA
