Dear Potential Exhibitor:

The third annual Virginia Area Oncology Pharmacy Updates will be held October 21st and 22nd, 2022 at The Omni Hotel in Richmond, Virginia. This is a great opportunity to support the education of and interact with oncology pharmacists from across Virginia and the surrounding areas. We had a great turnout at our inaugural virtual meeting in 2020 and our first live meeting last fall. It was so great to be able to gather together in person! We look forward to continuing to build on the successes of these events and the positive feedback from our past attendees and are hopeful that you will be able to participate in supporting our event this year.

This year we will offer the opportunity for meeting support which includes exhibit space with six foot exhibit tables, attendance of two representatives to all events at the meeting, inclusion of up to 2 product pieces in attendee bags and support recognition for \$2500.

Exhibit table space is limited so please indicate your interest in exhibiting by signing up on the website (<https://oesl.wildapricot.org/events>). An invoice will be sent and payment is possible by direct deposit, check or credit card. If paying by check, checks should be made payable to Oncology Education Specialists, LLC % Sally Barbour, 12 Pilling Place, Durham, NC 27707. Our Tax ID number is 84-4291454.

Additional information and supporting materials can be found on our website under the [Industry Support Information](#) section.

Please let us know if you have any questions or need more information. Thank you for your support for oncology pharmacist education and networking in the Virginia area. We cannot do this without all of you!

Sincerely,
